From Mrs. Bailey...

- This month's habit is "Put First Things First."
- This week we have to move on from Native American projects to Explorers. Some student only have a few items to finish, and will do it when time allows.
- We will also study force and motion while completing our Rube Goldberg projects. We will either get to the review by Friday or, depending on how well they catch on, we will test on Friday.
- We have a Reading CBA on the 11th.
- Holiday Party is just around the corner. Please look for an email from Ms. Letson.
